Cooper likes to color with his crayons.

He makes beautiful pictures to put on the fridge.

Sometimes he pushes too hard and his paper rips. That was not part of the plan! He made a mistake and it makes him feel sad.

It's OK, Cooper. Everyone makes mistakes now and then.

He takes 3 deep breaths to calm his body.

Now that his body is calm, he can think of a solution to his problem.

Tape! Great idea, Cooper!

I love your art!
