We've had a fun day, Cooper. Now it's time to wind down and get ready for bed.

Let's start by
cleaning up your
toys.

Good job, now it's time to take a bath. Cooper likes to play with the bubbles!

After bath time,
Cooper goes
potty and then
brushes his
teeth.

Now it's time for
his medicine.
Good job, Cooper!

First two stories, then lights out.
